

Purpose of America Bless God Ministry DVD

- 1) Our purpose in producing this DVD is to glorify God and exalt Jesus Christ. In John 14:6 Jesus said, "I am the Way, the Truth, and the Life, no one comes to the Father but through Me." We want to remind the Church that Jesus is the Head of the Church and He is our Great Physician. If we come to Christ surrendering all, He will heal us. Revelation 3:16 says, "So, because you are lukewarm and neither hot nor cold; I will spit you out of my mouth."
- 2) We would like to share our family's story. As we are called by God to love Him supremely and our neighbor as ourselves; we commit to promote the good of both God and mankind with no selfish interest through this DVD.
- 3) We intend to warn and awaken others of the devastating effects of sin in our family.
- 4) Our purpose is to raise up a standard both in and out of the Church.
- 5) We intend to address the dangerous effects of pornography and psychiatric medications on the mind and heart as experienced in our son.
- 6) It is our hope that the truth and testimonies in this DVD will enlighten and encourage many.
- 7) It is not our intent to offend or condescend to anyone, but rather to speak the truth in love.

We have put together a DVD depicting the detrimental and sometimes fatal effects that pornography and psychiatric medications can have, not only of our society in America in which we live, but also more importantly on the spiritual effects having eternal consequences.

If we only present the problems with pornography and psychiatric medications along with many facts and statistics, then we only become an informed society.

However, if we also present a universal solution to these problems; now, at least, we have an opportunity to become a reformed society.

In this DVD we present both the problems and the solution. Now, it is up to us to believe what is true and to act upon it!!!
